The dog ran in with

The police officer  
blocked traffic.

The chickens  
squawked, the  
cat yowled at the  
chickens, and the  
dog barked at the cat.

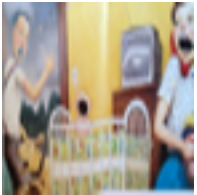

The sun came out.

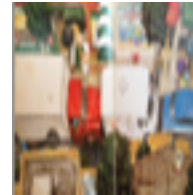

Dad opened  
the door.

Dad and Mom  
yelled, the baby  
started to cry.

The people in the  
town started  
to argue.

The police officer  
stopped to see  
what was wrong.

The people in  
the town stop  
arguing and start  
to cooperate with  
each other.
