

# Harriet You'll Drive Me Wild

## Cause & Effect

Cause/Choice	Effect/Consequence	Mom's Reaction
Harriet sat upside down in her chair.	The juice was knocked over.	
Harriet was playing in the pantry.	The cereal spilled, the cookies are all over the floor, and the jam got on her jeans.	
Harriet painted a picture and brought it out to show her mom.	Paint dripped on the rug.	
Harriet slide off the chair.	Harriet's lunch spills, mom's lunch spills, and the plates fall on the floor.	
Harriet is supposed to be sleeping and she starts playing with the pillow and the dog.	The pillow rips and feathers fly everywhere.	
Harriet says she's sorry.	Mom says she's sorry, too.
