

# Selecting Children for SMALL GROUP INSTRUCTION

Select 3-5 children for the SELF small-group who would benefit from additional social-emotional learning instruction. Consider including children who:

- **Are shy and avoid or withdraw from social interactions.**
- **Appear sad or depressed.**
- **Are teased or ignored by other children.**
- **Argue and are aggressive toward teachers or other children.**
- **Disrupt and disturb others.**
- **Argue and ignore teacher directions or reprimands.**
- **Regularly complain of headaches, stomach aches or other physical ailments.**
